

S-E-C-R-E-T

In the interests of completeness there are listed below the major problems of current concern to the Agency of which O/IC is aware but in which, for whatever reason, O/IC has not been participating.

25X1A

2. Functional and working relationships involved in USCIB matters.

3. *Defense*
Definite Department logistical support for O/BO and O/PC.

4. Access by the Agency to JCS operational telegrams and arrangements to take account of US and combined strength and war plans as they affect estimates.

5. Coordination of counter-espionage activities including relationships between O/BO and FBI.

25X1A

6. Coordination of intelligence activities overseas. (e.g., in  the problems which may confront the Senior Representatives.

7. Coordination with intelligence agencies of other governments.

8. *overlaps between other agencies (eg. State - Gen)*
(O/NSCID #13 4 C 4)
